MCHM LAWYERS

THE BEST CONTRACT IS NOT THE LONGEST ONE, BUT THE CLEAREST ONE

💬 The best contract is not the longest one, but the clearest one. In legal practice, we observe that most lawsuits stem from ambiguous clauses.
A contract should be read with the "worst-case scenario" in mind. If that scenario is covered, the peace of mind for both parties is guaranteed. Trust is the foundation of business, but a solid contract is what keeps that trust intact.
