FLEXIBILITY OF REQUIREMENTS IN 2025

The reform of the Immigration Regulation has reduced the minimum residence periods required and expanded the types of arraigo, making access to regularization easier for more people in irregular situations.

DIVERSITY OF MODALITIES ADAPTED TO MIGRATION REALITIES

Arraigo can be requested based on family ties, social integration, previous work experience, or even personal economic resources, allowing the application to be adapted to different personal circumstances.

RIGHT TO WORK AND LEGAL RESIDENCE

All types of arraigo grant authorization to reside legally in Spain and work as an employee or self-employed, representing an effective path for social and economic inclusion.
