TYPES OF BREACH

There are various forms of breach, such as total breach, partial breach, defective performance, anticipatory breach, and debtor's default. Each type has its own legal implications and consequences.

LEGAL CONSEQUENCES

Breaching obligations can lead to contract termination, specific performance, compensation for damages, penalty clauses, and default interest. These consequences aim to repair the harm caused to the affected party.

PREVENTIVE MEASURES

To avoid breaches, it is essential to draft clear and precise contracts, include dispute resolution mechanisms, and maintain constant communication between parties. These measures help prevent misunderstandings and conflicts.

EXTRAJUDICIAL SOLUTIONS

In case of a breach, parties can opt for extrajudicial solutions such as mediation or arbitration, which are often faster and less expensive than judicial proceedings. These alternatives allow conflicts to be resolved efficiently and amicably.
